EVERY DETAIL CONSIDERED

ELEVATED DINING EXPERIENCE

Food at Pihopa is very much part of the retreat itself. Guests are welcomed each evening by the pool with freshly prepared canapés and drinks, the perfect way to gather, unwind and savour the last of the Nelson sunshine. Mornings begin with a chef-prepared breakfast crafted from the finest local and regional produce & Pihopa's own kitchen garden.

DIVE INTO NATURE

Open to guests at any time, the outdoor pool is set within the retreat's beautifully landscaped gardens, offering a serene escape surrounded by nature. The 5.5 acres of established gardens are as much a destination as the retreat itself. Wander meandering pathways, pick fruit in the orchard, sit by the fire pit or simply breathe in the surroundings.

REST & PLAY

At Pihopa, relaxation comes in many forms. Spend a restorative hour in the spa, sauna or ice bath, ease into a morning yoga or reformer Pilates session or enjoy a massage or quiet workout in the private gym. Head outside and challenge fellow guests to a game of pétanque, croquet or giant chess.
